Dear Dr. Kahl:

Fitness Labs Nutrition Corporation wishes to notify the Food and Drug Administration that it has, within the past 30 days, commenced marketing a dietary supplement which bears a statement under Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act.

The dietary supplement for which the statement is made Glucosamine Chondroitin & MSM. The dietary ingredients that are the subject of the statement are Glucosamine sulfate, Chondroitin sulfate and Methylsulfonylmethane. The statements read as follows.

"This comprehensive formula combines the expert recommended ratios of three of the most effective joint support ingredients in just four easy-to-swallow capsules." "Glucosamine and Chondroitin are the building blocks of healthy joints and tissues." "We then add 1 gram of MSM, a source of sulfur, one of the most abundant minerals found in joints and connective tissues." "Complete Joint Support Formula."

These statements are accompanied by the required disclaimer which is prominently displayed in bold-faced type.

This information contained in this notice is complete and accurate and the above statement is based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,
Fitness Labs Nutrition Corporation
